Springfield, Illinois - In partnership with Helping the Homeless in Springfield, Illinois and the Heartland Continuum of Care, the City of Springfield has launched an online Meal Train sign-up program. This volunteer program is seeking groups, organizations, schools, churches, families, and individuals willing to provide dinner for at least one evening for people in our community who are in need.

Volunteers will need to provide dinner for 55 adults, and deliver the meals between 5:30 p.m. – 6:00 p.m. to 1015 E. Madison Street in Springfield. It is requested that meals come in disposable service containers. Those able to provide a dinner can sign-up online at https://mealtrain.com/0yd689. Meals are needed October 1 thru November 30.

Donation Update
We truly appreciate the generosity of the community. However, at this time 1015 E. Madison Street is only accepting donations of packaged food, water, and hygiene products. Donations at this site must be facilitated through Helping the Homeless in Springfield, Illinois or the Heartland Continuum of Care.

Unless requested by a specific agency working with those experiencing homelessness, we ask that no other donations be brought to the site.

Individuals looking to donate clothing or any household items may facilitate those donations through local charities.

Donation Facilitation
Those individuals and organizations wanting to provide packaged food, water, and hygiene products to 1015 E. Madison Street may do so by contacting Helping the Homeless in Springfield, Illinois via phone or text at 217.652.1307.
