

**WARD 9 and 10 RESIDENT PRIORITIES  
2019**

<b>GROUP 1</b>	<b>GROUP 2</b>	<b>GROUP 3</b>
Street Infrastructure needs to be up ahead with commercial development		
NPO website who to contact for each ward.	Have a map with NPO matching beats	Infrastructure ahead of commercial development
Real Development Downtown		
	Recreational Complex	
Koke Mill between Old Jack & (drainage issue) - study that road and improvements	Neighborhoods developing but no parks - natural wildlife development going on	
Reinvigorate the Homeless Treatment Center	Improved leaf and branch pickup program	Bridge on Church Hill - fix that and Speeding
Traffic on Koke Mill - speeding and distracted driving	Continue these meetings annually	Stop sign that has trees blocking signs
Coordination of Government interactions - perimeter of city property. They need better coordination		
Concern about loss of population. Attract industry to attract more people	Traffic flow around the mall is horrendous and needs to improved. Hedly and W. White Oaks is a necessary for a plan/change.	Plan to move from coal to clean energy?
Move traffic more smoothly on Cockrell & Mathers Road and street lights	Enforce traffic lights and stop signs	Jefferson is a nightmare especially by Gas Light
Property Tax Relief	Leaf Pickup & Branch Pick up - Clarity	Golf Carts in neighborhoods
Lake II	Cell phone locator finder - 911 interacts with public and improve response times	Pillsbury
Annexations need to be looked out	Lenhart Road improvements	
Local infrastructure issues - Lenhart, Hedly & W. White Oaks Drive, Bradforton Road and Greenbriar. Also empty strip malls in the area.	Homeless Issue downtown and impact on tourism	Issue of school report card and schools that are still less than comendable. Build for a an acceptable report

**2019 Ward Planning Meetings  
Ward 9 and 10**

**CONCERNS AND COMPLIMENTS**

Corner of Koke Mill and LaConner
Leaf pickup was a great for city
Y-Block development?
SE corner - blind spot due to the fence out there.
Cockrell Lane is extremely dangerous and a serious concern
What constitutes the leaf pickup/branch pickup
Snow plows never come down - Archer & Koke Mill. 2700 block Haggard Drive never sees a snow plow.
Cars parking on the street when they have driveways (Haggard Drive)
Archer Elevator Road took all the trees and privacy. Noise abatement is completely done. Is something going to be done. On Cronin but back onto Archer Elevator
Sales tax on the gasoline that helped with the sidewalk improvements
Concerns about letters taken off the signs - Cobblestone. Vandalizm on subdivision signs
Is there an ordiance when garbage trucks can come through the neighborhoods? Kipling Court - Allied Waste doing it at 6:00 a.m.
Road off Church Hill Road. Frequently parking in front of driveways but blocking driveway of - 2600 Churh Hill Road. Blocking Neighbors driveaway but on Harbarer
For emergency management - get alerts for bad weather. Customized texts based on the area.
Lynching memorial - can we get the Sangamon County block from there and if so, what is the update
Concerning Street lights throughout Springfield - upgrade and use LED lights, more efficient and modern
Ginger Creek - no parking on north side and south side
School property on Koke Mill - What is the plan?
What is happening to all the businsses that are off the tax role. What is the plan?
Gas Light Court & Jefferson - Waste pickup coming in on at 5:00 a.m. and not ok.
